Re John Andrew Braiden
S.½-5-6-8-W.4th.

This man received on the security of the S.E.5-6-8-W.4 two advances of Seed Grain; one in 1919 valued at $328.50 bearing interest at 7% from 26th March, 1919, and the other in 1920 valued at $286.00 with interest at 7% from 6th April, 1920.

The land given as security, his pre-emption, is apparently pending cancellation, and according to copy of Abstract of Title for the N.E.¼, bearing date December 11th last, the Lienor is still owner thereof.

In view of the circumstances I would respectfully suggest that the registration of the above Liens be effected against the title to the N.E.¼ for our security; and on the completion thereof I would request that you kindly return files to this office.

Dear Sir: Re S. E. ¼ of 1-15-2-W. 4th M.
Our file L. 1272.

We are advised by the Agent of Dominion Lands at Lethbridge that the only lien affecting the above land appears to be $45.60, with interest from the 15th April, 1913, until paid. The abstract of title shows this lien to be of record.

In your recent letter you showed the following to be of record:

Beringer - $45.60.
Lickhaut - $49.50, $30.30, $14.00, $34.20, $7.65, $56.20, $26.65 and $6.80.

We immediately took the matter up with the Agent at Lethbridge and suggested that a further search be made for other indebtedness and he again advises us that all indebtedness affecting the S. E. ¼ of 1-15-2, W. 4th M., is $45.60 and interest.

Will you kindly look into the matter at once

Re: N.W.¼ 7-15-1-W.4th M.,

In reply to your letter of the 25th ultimo enclosed herewith is an itemized statement of the account for the above described land.

Our records indicate that this indebtedness was originally given against the N.W.¼ of 7-15-1-W.4th. It is quite possible that the lienee subsequently acquired title to the S.E. of 1-15-1-W.4th and, as the liens were given in 1915, they would automatically become registered against title thereto.

MEMORANDUM,

T.A.F.Osborne entered for the S.E.¼ 30--1 13--W. 4th M., 21st April, 1908, and has completed the duties, but by mistake he built the house in October, 1908, about 10 feet off the homestead, not being able to ascertain where the line was until the following Spring. You asked for a report.

The Inspector reported on the 24th ultimo, that at the time of his visit Osborne was absent, but Mr. Adams, the homesteader on the N.E.¼ 30, informed him that he (Adams) had erected his fence too far West, and Osborne being under the impression that this fence was on the line, built his house in the extreme North West corner of his homestead, but has since erected a new house on the East side of his entry.

Under the circumstances, will you allow the residence?

Yes. but at least 3 months residence in new house on hd. is necessary before we can recognize what he did on the other is error.

Copy to H.O.

Sir,

I am in receipt of your application for patent for the S.E.¼ of Section 30, Township 1, Range 13, West of the 4th meridian and would state that you were advised on the 4th of April last, that the residence performed by you prior to that date would be allowed upon the condition that at lease three months residence be put in, in the new house erected upon your homestead.

It would appear however, that when making application for patent you had only completed residence on your homestead from the 1st of March to the 10th of May being two months and ten days.

It will therefore be necessary for you to show that you have complete at lease three months residence upon your homestead before your application can be accepted.

When this requirement has been completed you should execute a supplementary statement setting forth the facts.

Agt. Dom.Lands.

S.E.¼ 30-1-13 W4th.

I beg to advise you that in the list of Seed Grain securities received from the Commissioner of Immigration there is an entry of $225.00 for seed grain advanced to Hugh Adams against the above land. This land stands in the records of this office as the patented homestead of T.A.E. Osborne. The N.E.¼ of section 30, however appears to be the patented homestead entry of H. Adams Jr. and the N.W.¼ of section 29, township 1 range 30 West of the 4th meridian appears to be unpatented school land sale to H. Adams. I would be pleased to be advised whether the description of the land against which the amount of this indebt-edness should be recorded is the N.E.¼ or the S.E.¼ of section 30, township 1, range 13 West of the 4th meridian, and whether the linor holds any interest in the N.W.¼ of section 29, township1, range 13 West of the 4th meridian, and if so, whether or not such indebtedness should also be made against such land. According to the letter from the Commissioner of Immigration the amount of this indebtedness has already been recorded against this land by the Commissioner of Immigration at the Land Titles Office Calgary.

Sir,-

N.E. ¼ of Sec. 13 Tp. 25 Rge. 5 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: N.E. of 19-25-4-W.4th
E. Van de Mortelle

Your letter of the 4th ultimo, addressed to the Comptroller of Revenue, Ottawa, has been referred to this office for attention.

According to our records, the late Mr. Van de Mortelle gave several liens in favour of this Department in the year 1915 covering advances of Seed Grain, Fodder and Relief made to him on the security of the above described land. A substantial payment was made by him in 1917 leaving outstanding a balance as follows:-

Principal (Balance)	Interest at 5% to Oct. 31/47.	Total
$ 33.65	$ 51.60	$ 85.25

In the years 1920 and 1922, Mr. Mortelle also obtained advances of Relief in the Joint Right of the Province and the Dominion, totalling $270.15 and the account now stands as follows:-

Principal	Interest	Total
$ 270.15	$ 532.55	$ 802.70

These two accounts, with interest computed to October 31st, 1947, make the following total:-

Principal	Interest	Total
$ 303.80	$ 584.15	$ 887.95

If your client is prepared to pay the sum of $595.87, represent the principal amount of $303.80 plus half the interest accruing, a recommendation will be made to the Seed Grain Adjustment Board that the same be accepted in full liquidation of the account.

All payments should be made in favour of the Receiver General of Canada and forwarded to the undersigned.

Yours very truly,

Acting Registrar of Lands.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $315.80 were advanced to Edward Van de Moortele on the security of the above mentioned land. Payments of $18.47 and $287.45 were received in 1917 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 33.65	$ 60.63	$ 94.28

Patent was issued in the name of Edward Van de Moortele for the N.E. 19-25-4-W4 on the 5th of December 1914, and later became subject to the 1915 liens. The N.W. 20-25-4-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled and the land is still unalienated Crown Land held in the right of the Province.

The N.W. 20-25-4-W4 is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our advances.

In 1917 the account amounted to $339.57 at which time payments amounting to $305.92 were received and the balance of $33.65 has since remained a charge against the land.

In view of the small amount outstanding, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Re S.E.¼, 14-44-10 W4th. F Hinkey

Replying to yours of the 25th ulto, also of same date from Ottawa to Mr Hinkey in reference to the furnishing of a supplementary statement, Mr Hinkey wished to advise that he is not in a position to furnish this with regard to the S.W.16-44-10 W4th, as owing to poor crop conditions he has had to relinquish his interests in the S.E. 16, and has taken up permanent residence upon his homestead. As Mr Hinkey cannot afford to make an unnessary trip to Edmonton, and thinking he has probably not performed enough residence requirements on the homestead, as he only lived on it in 1919 and 1921, he would like to be advised if he is able to prove up now or will he be required to wait for another six months to complete his residence duties.

If the latter he would like an extension of time to complete same.

Ottawa, 13th January, 1922.

Sir,

Re S.E.¼ 14-44-10-W.4th M.

The Dominion Lands Agent at Edmonton has forwarded here your declaration of the 28th ultimo, being a statement of the settlement duties performed to date in connection with your homestead above described.

In that you failed to comment further on the nature of the purchase of the South West quarter of Section 16, Township 44, Range 10, West of the 4th Meridian, on which it appears considerable residence was performed, it is difficult to advise you definitely of your position to make a successful application for patent.

If unable to count to your credit any residence performed on the South West quarter of Section 16, Township 44, Range 10, West of the 4th Meridian, and you intend to complete the duties by residing on the homestead itself it would not appear that you would be in a position to make a successful application for patent until the 1st of April, 1923, reckoning your first homestead year as ending the 1st of October, 1921, your second year as ending the 1st of October, 1922, and your third year as ending the 1st of October, 1923.

Encl.

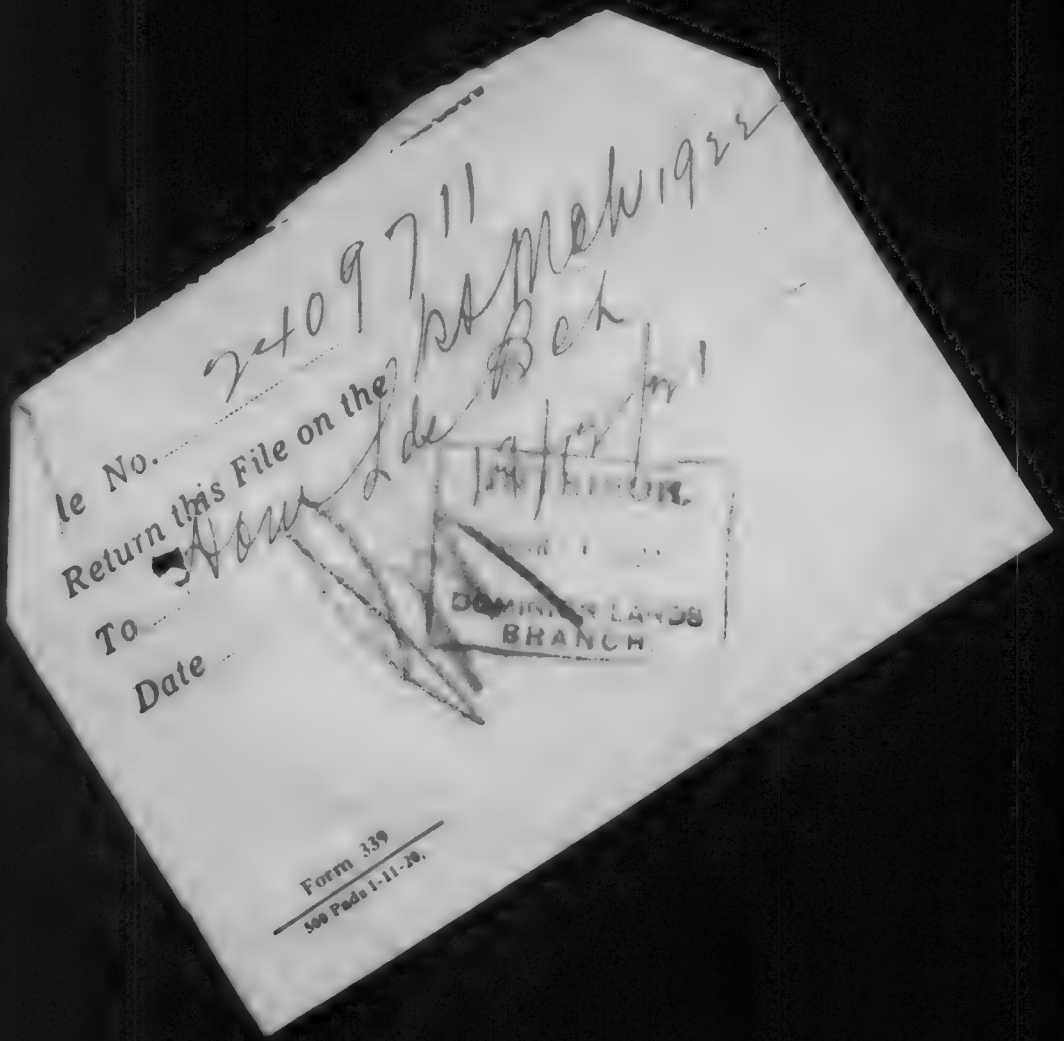

I would direct your attention to page twenty-two of the Hand Book of the regulations enclosed under "Ownership Defined", and from which you will note it is not necessary that you should be the owner of the purchased land at the date of application for patent.

If further information is required as to your right to count residence on your purchased land, you might communicate with the Dominion Lands Agent at Edmonton, being careful to explain in detail your purchase of the land in question, the terms and conditions of the payments made, and when.

Frank H. Hinkey, Esq.,

Alberta.

Your obedient servant,

Assistant Secretary.

Dear Sir;

Re: S.E. 14-44-10-W.4th.

This Department has an old account against the above noted land for advances of Seed Grain in 1919 and 1920 to F.H. Hinkey.

We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

I have for acknowledgement your letter of the 15th Inst re the above and in reply beg to enclose form duly filled in as requested.

We have your letter of the 13th of August, 1952, in which you have enclosed the mimeographed form which we forwarded to you duly completed. We wish to thank you for completing this form. With reference to your query regarding the 1919 and 1920 seed grain liens we might say that the Dominion Government has not cancelled them. However, the Dominion Government has established a Seed Grain Advisory Board which investigates these old liens and where warranted recommends an apportionment or adjustment. When an application for a reduction is received it is considered by the Board on its own merits and an offer is made to the debtor.

Re: Account of F.H. Hinkey,
S.E.¼ 14-44-10-W4.

Dear Madam:

During the years 1919 and 1920 while homesteading the above mentioned land, Mr. F.H. Hinkey received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $667.03 of which $190.93 is principal and $476.10 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,

Dear Madam:

RE: Account of F.H. Hinkey
S.E. ¼ 14-44-10-W.4

In a letter dated February 20, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. F.H. Hinkey by the Federal Government in the years 1919 and 1920. The amount outstanding is $667.03 of which $190.93 is principal and $476.10 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. Re: Account of F. H. Hinkey
S.E.¼ 14-44-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $206.48 was advanced to F. H. Hinkey on the security of the above-mentioned land. Payments of $2.10 and $20.55 were received in 1920 and 1921, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$190.93	$536.25	$727.18

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, I am recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Sir,

S. L. & 7-17-1, S. 4th M.

I beg to acknowledge the receipt of your letter of the 14th ultimo, and in reply regret to inform you that you are not entitled to a second free homestead on Dominion lands. This privilege is extended to those settlers only, who completed the settlement duties on their first homestead prior to the 1st of June, 1908. This is a statutory provision of the Dominion Lands Act and the Department has no discretionary power in the matter.

Enclosed herewith is a copy of an order-in-Council dated the 31st of October last, outlining the arrangement with the provinces of Saskatchewan and Alberta regarding the removal of settlers who have suffered from crop failures, to more suitable land in any one of the land districts of Prince Albert, Battleford, Edmonton, Peace River or Grande Prairie, where the prospects for an adequate return for their labour seem more assured.

Encl.

The question as to whether those settlers who have sold their homesteads are entitled to the benefits of the order-in-Council is at present receiving consideration, but no decision has as yet been arrived at.

If you consider you are eligible under the order-in-Council, your best plan would be to take the matter up with the Minister of Agriculture at Edmonton, giving full particulars of your case.

Re - Andreas Knob
S. E. 7-17-1 W 4

Sir:

I would bring to your attention the following report received from one of our homestead inspectors:

"Mr. Knob promised me in Nov. he would pay $100.00 on his seed grain a/c which I reported to your office. In Jan. he was asked by one of the Provincial Government seed grain collectors to pay his a/c with them but claims they represented that he was collecting for both Federal & Provincial Governments. He paid him the $100.00 believing he was paying our a/c. This information was received through an interpreter as Mr. Knob speaks very little English. He is unable to pay any more this season."

I would point out that when Patent for this land issued to Mr. Knob on 19th April, 1923, Municipal liens incurred against this land were accorded the same treatment as Federal liens, certificates being attached so that when Title issued they would receive priority to any other encumbrance.

If - as stated - the provincial officer misrepresented his position at the time of collection, this might necessitate a great deal of explanation by this Department when the liquidation of these liens is taken up with Mr. Knob, - it being observed that he is of alien tongue and would consequently be difficult to communicate with in order to correct any wrong impression in his mind. I need not hasten to assure you of our co-operation with your Department through assistance lent in collection, - and doubtless you know of many examples of this Department standing aside to allow municipalities to be secured in collection where we held priority. I feel, therefore, it is only necessary to bring any case of misrepresentation to your attention to prevent any recurrence of such act of misfeasance where a debtor believes he is making payment of Federal indebtedness whereas he would be liquidating only Municipal indebtedness.

The dates mentioned in the statement are also entirely incorrect, as the date on which our Collector called on Knob was Sept. 26/23 and on that date Knob gave our agent an Order on the Elevator Company at Burstall, Saskatchewan, to retain and deliver at the date of sale, the proceeds of 100 bushels wheat and the proceeds of this wheat as above stated, $79.45 was remitted to this office Feb. 2nd 1924.

Therefore so far as our information shows there was no misrepresentation made and if Knob believed he was making payment of indebtedness to the Federal Government, he certainly had no reason to think so because of explanations made by our agent.

Trusting the above will be a satisfactory explanation of the matter.

Yours truly,

Dear Sir:-

A letter has been forwarded to this Department written by you to the Deputy Minister of Municipal Affairs, your file 2432415, and dated May 28th re Andreas Knob of the SE 7-17-1-4, containing a report of statement made by one of your homestead inspectors in reference to the collection made by an agent of the Provincial Government in this case, stating that the collector of the Provincial Government had stated to Knob that he was collecting for both the Federal and Provincial Governments and that Knob had made a payment to him of $100.00, believing he was paying the Federal Account.

The matter has been taken up with our agent who made the collection which was made from Knob, and which was not $100.00, but $79.45. Our collector Mr. H.J. Armstrong at Medicine Hat says that the statement made is not correct; that he made no such representation, and that Knob should have understood and he thinks did so understand that the collection was being made on account of the Provincial Advances.

Sir,-

S.E. ¼ Sec. 7 Tp. 17 Rge. 1 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

File No. 4-8764

Office of the Chairman

OTTAWA - [illegible] January, 1929.

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: George Henry Carr,
S.W.¼ 1-58-9 W. 5th (S.I.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 26th April, 1919, the settler secured advances from the Board totalling $3145.00, as follows: stock and equipment, $2700.00; permanent improvements, $300.00; special advances, $145.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is first mortgage on the N.E.¼ 1-58-9 W. 5th, the settler's patented homestead.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent only for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler, dated the 11th February, 1926.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1311, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 1-58-9 W. 5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as $1145.00 of the advances referred to in the second paragraph hereof was made to the settler subsequent to his entry for his soldier grant.

A Vesting Order for signature is attached hereto.

Deputy Minister of the Interior,
OTTAWA.

Re: Account of Adam Schneider
S.W.¼ 30-11-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $279.04 were made to Adam Schneider in 1919 and 1922 on the security of the above-mentioned land. Payments of $40.50, $14.37 and $116.46 were collected by the Province in 1924, 1929 and 1944, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$148.21	$551.91	$700.12

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. W. Stinson.

With further reference to your letter of October 8th last, I am sorry to say, that I gave you the wrong range. This should have been range twenty. Therefore, the description should be Section 8, Township 52, Range 20, West 4th Meridian.

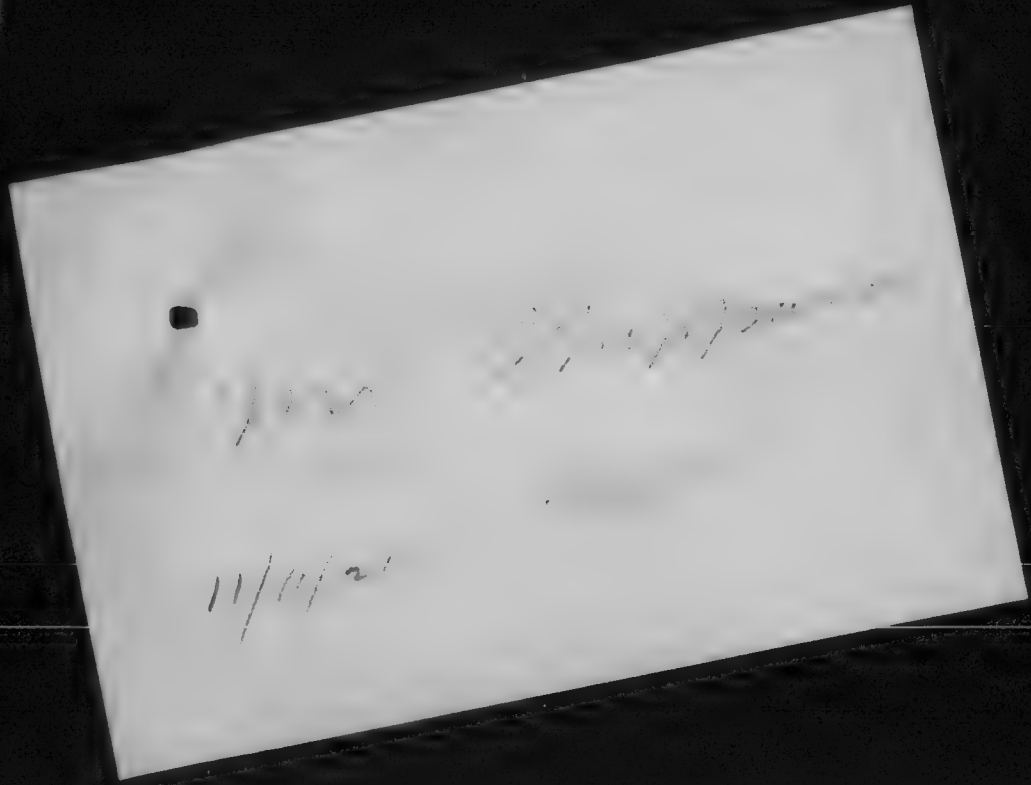

I was under the impression that this was a Hudson Bay section. If such is the case would the islands still belong to the Dominion Government. I might mention that the three spruce islands to which I have reference were surveyed years ago.

I would appreciate an early reply, as to whether or not theseislands may be purchased or leased.

per acre of the land and for what purpose the island was best adapted.

The report has not yet been received.

The latest plan of this township shows that the land originally existing in the S.E.¼ of this section adjoining the east boundary thereof has disappeared and that the only land now in the quarter section is comprised in the two islands, Nos. 4 and 5, the part of the former in this quarter section containing 2.40 acres and in the N.E.¼ .50 acres, Island No. 5 in the S.E.¼ containing .10 acres.

Mr. Rees might be informed that the inspection now being made will govern the decision to be arrived at in his case as well as in the case of any other applications for these islands and that in any event, the islands can only be disposed of by lease under tender for the purpose for which they are best adapted after inspection.

I would also in the meantime recommend a refund of the $10.00 received from him.

Respectfully submitted,

Controller.

Rees' application did not receive consideration and the file was not returned until the 8th of December, 1921.

On the 9th of December, 1921, Mr. Rees again wrote making application to lease Islands Nos. 4 and 5 in the S.E.¼ of this section and enclosed $10.00 as evidence of good faith to be applied towards the rental if the islands might be leased.

The latter matter was receiving consideration when your recent reference 3598 was received.

In the meantime, another application was received from Mr. E.L. Kelley of Edmonton dated 27th September, 1921, inquiring as to the ownership of what he called three spruce islands in section 8, township 52, range 8, west of the 4th meridian, and as to whether they could be purchased or leased.

He was informed that the plan of the township did not disclose any islands in this location and he was asked to furnish definite information as to the islands in question and in reply stated that he had made a mistake and that the islands were in section 8, township 52, range 20, west of the 4th meridian, and that the three spruce islands referred to had been surveyed years ago. This correspondence was carried on on the file for the N.E.¼.

On the 21st of November, 1921, he was informed that if the islands he referred to were islands numbered 1, 2, and 3 in the N.E.¼ that they had been patented to the Hudson's Bay Company but there were also two other islands in this section, namely, Nos. 4 and 5 which were under the control of the Crown and could only be disposed of by lease under tender after inspection for the purpose for which they were best adapted.

The correspondence in connection with Mr. Rees' application was dealt with on the file for the S.E.¼.

On the 20th of January, 1922, Mr. Kelley again wrote renewing his application, stating this time that it was made on behalf of Mr. J. Brasil, the application being confined to Island No. 4 for the purpose of erecting a summer cottage thereon.

He was informed that it would be necessary to have an inspection made before his application could be considered and the Agent of Dominion Lands was asked to detail a Homestead Inspector for this purpose to make a full report as to improvements on the island and the value of the same and the value

Re fractional S.E.¼ 8-52-20, W. 4th Meridian and Islands numbered 4 and 5 therein.

I beg to return herewith your reference 3598 and to report as follows:-

Section 8 in this township is what is commonly known as Hudson's Bay Company's land but on account of the desire of the Government to make a reservation thereof for timber the Company relinquished its rights thereto and were to select other lands in lieu thereof.

Subsequently, it was decided that the land was not required for the Cooking Lake Forest Reserve and the patent was issued to the Company for the land in the N.½ and S.W.¼ of this section, including the islands shown on the township plan at the time and numbered 1, 2 and 3.

The S.E.¼ was not patented to the Company as there was a squatter on the land and the Company was compensated for the land area thereof.

A sketch of the section is attached made from the latest plan of the township.

The entry granted to the squatter on the S.E.¼ was cancelled on the 21st November, 1921.

Mr. William A. Rees, Jr., in a letter of the 20th of June, 1921, applied to purchase this latter quarter section or to otherwise gain control of it for the purpose of raising water fowl and stated that he owned the adjacent N.E.¼ which had been patented to the Hudson's Bay Company.

Subsequently, the file was taken away in connection with proposed cancellation proceedings of the entry on the S.E.¼ and Mr. Rees' application was not dealt with.

He again on the 21st of October, 1921, renewed his application drawing attention to the previous one.

The file was again taken away in connection with the cancellation proceedings above mentioned and Mr.

Sir:

Adverting to your letter of instructions to Mr. Homestead Inspector Wynne dated the 17th of February last, file 179157, with regard to an application made by Mr. J. Brazil for the lease of Island No. 4 in Section 8-53-20, west 4th meridian, for the purpose of a site for a summer cottage, I beg to advise you that an application for the lease of this island along with Island No. 5 has been received from Mr. William A. Koos, Jr., of North Cooking Lake, Alberta, and to request you to be good enough to communicate this fact to the Inspector in order that the report which he furnishes may cover the two applications. Mr. Koos represents that he intends raising water fowl and that he requires the two islands applied for in connection with his undertaking. A recent communication to the Department from Mr. Koos contains the following comment upon Mr. Brazil's application:-

> "The building of a summer camp on
> "Island No. 4 means that my ducks and
> "geese are exposed to vandalism on the
> "part of any campers who feel the
> "inclination. This is a case of 'bread
> "and butter' with me whereas for the
> "other applicant it is simply a question
> "of a pleasant holiday.

Mr. Koos claims that he has purchased from the Hudson's Bay Company the fractional N.E. 8 including Islands numbered 1, 2 and 3 therein.

If the Homestead Inspector has already made an inspection in this case, and from remarks contained in a recent letter from Mr. Koos it appears that he has, he will no doubt be in a position to furnish a supplementary report without revisiting the land. The report should include a statement as to whether Mr. Koos intends raising domestic ducks and geese for sale or whether he contemplates merely the creation of a private game reserve.

As will be observed from the township plan, Island No. 4 is partly in the N.E. 8 and partly in the S.E. 8 while Island No. 5 is wholly within the limits of the S.E. .

Island No. 4 on Sec. 8-52 20-W.4th M.

"This island is small with considerable "brush and stone. It is a very suitable place for "a summer cottage and is about all it is fit for. "The land is not worth more than $5.00 per acre, "The other applicant, Mr. Rees, has made no showing "yet that I could see although he states that he "intends raising geese and ducks for sale. These "will be domestic fowl.

"The settlers seem to be more in favour "of a summer camp on this island than of the other "project, as it will bring more money into the "district.

"I would recommend that as Mr. Rees has "all the land including 3 islands on the N.E. 8-52-"20-4, which should be sufficient for his purpose, "that J. Brazil's application be granted".

As will be noted, no mention is made in this report of Island No. 5.

It was your wish that this matter be referred to the Commissioner of Dominion Parks both before calling for the Homestead Inspector's report and after receipt thereof (Your memorandum 4th April on file). This was done and Mr. Hoyes Lloyd of Parks Branch now states in a report of the 23rd instant that in view of the Homestead Inspector's report and of the very small area concerned, his Branch will not interest itself further in the matter.

As the sketch indicates, Island No. 4 embracing 2.9 acres is situate partly in the North East quarter and partly in the South East quarter of Section 8, while Island No. 5 comprising only .1 of an acre is wholly in the South East quarter of Section 8.

As you are aware, under the present practice islands may be leased by tender after inspection for the

Application of William A. Rees, Jr., of North Cooking Lake, Alberta, to lease islands numbered 4 and 5 in [illegible]-52-20-W.4th M.

Application of J. Brazil of Thornton to lease said Island No. 4.

Sketch attached showing Islands coloured green.

A report on these applications was submitted to you on the [illegible]th March last in connection with your reference 39[illegible] beneath (copy of report marked).

The facts follow:-

Mr. Rees represents that he intends raising water fowl and that he requires the two islands applied for in connection with his undertaking. He states that he has purchased from the Hudson's Bay Company the fractional North West quarter of Section [illegible] including Islands numbered 1, 2 and 3 therein.

A letter addressed to the Minister by Mr. Rees on the 22nd March last (D.M.-Ref. 39[illegible]) contains the following comment anent Mr. Brazil's application:-

> "the building of a summer camp on Island "No. 4 means that my ducks and geese are exposed to "vandalism on the part of any campers who feel the "inclination. This is a case of 'bread and butter' "with me whereas for the other applicant it is simply "a question of a pleasant holiday".

The fractional North half and South East quarter of Section 3 including said Islands 1, 2 and 3 in the North West quarter were patented to the Hudson's Bay Company under Grant No. 468 on the 14th August [illegible].

Mr. Brazil wishes to lease Island No. 4 as a site for a summer cottage.

Re Island No. 4 situate in Manigan Lake in T.P. 3-52-20-W.4th M., comprising 3 acres, more or less.

Referring to your memorandum of the 4th instant beneath I beg to submit for your approval draft notice calling for tenders for the lease of the above mentioned island.

You may possibly consider that instead of incurring the expense of printing posters and advertisements and advertising in the press, this small island might be satisfactorily dealt with by having the local Agent of Dominion Lands at Edmonton post notices calling for tenders in the same manner in which we would post land to be opened for entry. In the event of such procedure being adopted the Agent would be instructed to mail copy of the notice to Mr. William A. Rees, Jr., North Cooking Lake, Alberta, and to Mr. J. Brazil, c/o W.L.Kelly, 10[illegible] - 97th Street, Edmonton, as well as to any other persons who, to his knowledge, may be interested in the island.

On the other hand, should it be decided to call for tenders in this instance by advertising in the press it will be necessary that this Branch be advised as to the newspapers in which the advertisement should appear.

Respectfully submitted,

E. W. Cory, Esq., C.M.G.
Deputy Minister of the Interior.

In reply to your memorandum of the 22nd instant, regarding this quarter section, I may say that the land was taken up by Mr. Henry Millett on the 16th June, 1911, as a pre-emption and the entry still stands.

There is nothing on the file to show what is done in the way of settlement duties in connection with the quarter section.

Mr. Millett was granted a patent for his free homestead, the North West quarter of the same section on the 17th November, 1916.

When making inquiry to the Patent Branch you could if you desired secure a statement of Mr. Millett's account concerning the pre-emption payments.

Mr. Campbell, Seed Grain Branch, is being asked to advise you direct as to whether or not this land is the subject of any indebtedness incurred for Seed Grain, Fodder or Relief.

Sir,

S.W.¼ 21-14-1-W.4.M.

I beg to acknowledge receipt of your letter of the 15th ultimo, in further reference to the cancellation of your purchased homestead entry for the above land and in reply to say that this action was taken because you were in default in your cultivation duties, having only fifteen acres instead of fifty and were also in default in payment, having only made the initial one of $160.00.

The balance due on account of the purchase was as follows:-

2nd instalment $64.00, and interest on same from 15-4-13 to the date of payment.
3rd instalment, $64.00 and interest on same from 15-4-14-to the date of payment.
4th instalment, $64.00 and interest on same from 15-4-15 to the date of payment.
5th instalment, $64.00 and interest on same from 15-4-16 to the date of payment.
6th instalment, $64.00 and interest on same from 15-4-17 to the date of payment.

Up to the 1st September 1919, the rate of interest will be 5% per annum. After that date, interest will be computed on all overdue instalments then remaining unpaid at 7% instead of 5%.

In view of the foregoing, it would appear that the proper action was taken by the Department.

MR.PERRIN

N.E.¼-27-14-4-W.4th.M.
Pre-emption-Henry Millett (dec'd)

Mr. Millett died in May 1918.

Letters of Adminstration were issued on the 6th. of August 1918, to Joseph Millett, Attorney for Caroline Millett, mother and next to kin of the deceased.

Application for patent was made on the 27th. of May 1918, claiming sufficient duties. No Certificate of Recommendation was issued.

On the 29th. of March 1921, Caroline Millett died intestate, and in June 1920 Letters of Adminstration of the estate were issued to Joseph Millett.

Letters of Adminstration de bonis non, were also filed with the Department.

Cancellation proceedings were instituted on the 14th. of July 1927, for failure to complete payments. No defense has been filed.

Inspector Bowyer reported on the 24th. ultimo, Half mile fencing. No other improvements.

General Remarks:

"I beg to report the family of deceased entrant have vacated and moved away and the land is lying idle.
The land is rough stony and uneven and unfit for agriculture purpose or stock homestead. I would recommend cancellation and the land listed as grazing land only."

As it would appear that the Adminstrator does not intend to complete payments I would suggest that the Agent be instructed to cancel the entry and post the land for settlement.

Duplicate Memorandum: Land Patents Branch

Ottawa, 10th September, 1919.

Subject: Copies for files 2450748

J. B. Mitchell, Esq.,
Private Secretary.

Re strip of land between road and lake in East half section 3, Township 42, Range 1, west of the 4th Meridian, and South East quarter section 2, Township 43, Range 1, west of the 4th Meridian, for sewer report.

I beg to return herewith your reference No. 1284 and to report as follows:

All the lands affected by the strip of land above referred to have been patented, with the exception of some small portions in the South East quarter of section 2, Township 43, Range 1, West of the 4th Meridian.

These small portions were included in the entry made by William Fisher on this quarter section, but as when we were ready to issue his patent a new plan of the township had been issued defining the shore line of the lake by the limits of aliquot parts of legal subdivisions, these portions were not included in his patent.

The limits above referred to are arbitrary lines laid down on the plan in order to have definite boundaries of the lands patented rather than using the shore line of the lake as defined on the first survey.

As you are aware, there are no lands for sale except fractional areas of 5 acres or less which may be sold to the owners of adjoining land at a valuation to be placed thereon by a duly instructed inspector. If, therefore, the applicants require the strip of land between the roadway and the eastern limits of the land patented in this quarter section from the present owner, on file here an abstract of title showing them to be the registered owners, the small parcels of land lying between the actual shore of the lake and the limits of the

aliquot.....

it is probable that the shore line of the lake is approximately as shown on the first survey, and, therefore, there would be some small parcels of land between the shore of the lake and the land patented, titles to which are in the Crown.

Sir:

It will be noted that an application for loan was made through the Soldier Settlement Board of which the Department was advised under date of 15th April, 1919.

Prior to this date Seed Grain lien was incurred by J. E. Gibson on 26th March, 1919, on the security of this land.

In dealing with the said application, it was apparently overlooked to refer the matter to this Division, and in consequence cognisance was not taken of the Seed Grain lien shown in attached statement.

Would you be good enough to advise me if some action can be taken to protect this Department for the amount of the said lien.

Nature of entry Homestead

In connection with your entry for the above described quarter section, I beg to point out that you have held this entry for over five years, and according to evidence on file have not applied for patent therefor. The Dominion Lands Act allows you a period of five years within which to apply for patent, otherwise your entry becomes liable to cancellation.

As you have obtained a loan from the Soldier Settlement Board, patent cannot be issued in your name until your indebtedness has been paid in full, but under the Order in Council of the 4th June, 1921, you could, if you so desired, apply to the Soldier Settlement Board for the issue of patent in the name of the Board, to be held on your behalf in connection with the amount advanced to you.

If you are satisfied that you have completed the requisite duties you are required to appear, as soon as possible, before the Agent of Dominion Lands or Sub-Agent for your district, with two witnesses for the purpose of applying for patent.

I would impress upon you the necessity of completing your application for patent as soon as you are in a position to do so, as should such action be deferred until a later date you may then find it difficult to obtain witnesses who are conversant with the manner in which the duties have been performed.

If you are in any doubt as to whether you have completed the duties to entitle you to make application for patent, you are requested to fill out the enclosed form No. 38, showing what you have done in the way of residence and improvements in each year since obtaining entry. If you will then forward the completed form here, you will be advised as to what further duties, if any, remain to be done.

In connection with your entry for the above described quarter section, I beg to point out that you have held this entry for over five years, and according to evidence on file have not applied for patent therefor. The Dominion Lands Act allows you a period of five years within which to apply for patent, otherwise your entry becomes liable to cancellation.

As you have obtained a loan from the Soldier Settlement Board, patent cannot be issued in your name until your indebtedness has been paid in full, but under the Order in Council of the 4th June, 1921, you could, if you so desired, apply to the Soldier Settlement Board for the issue of patent in the name of the Board, to be held on your behalf in connection with the amount advanced to you.

If you are satisfied that you have completed the requisite duties you are requested to appear, as soon as possible, before the Agent of Dominion Lands or Sub-Agent for your district, with two witnesses for the purpose of applying for patent.

I would impress upon you the necessity of completing your application for patent as soon as you are in a position to do so, as should such action be deferred until a later date you may then find it difficult to obtain witnesses who are conversant with the manner in which the duties have been performed.

If you are in any doubt as to whether you have completed the duties to entitle you to make application for patent, you are requested to fill out the enclosed form No.36½, showing what you have done in the way of residence and improvements in each year since obtaining entry. If you will then forward the completed form here, you will be advised as to what further duties, if any, remain to be done.

Encl.

Secretary.

Sir, Re S.E.¼ 25-25-2-W.4th M.
Homestead.

I beg to inform you that your application for patent for the land above described, has received approval.

Under Section 26 of the Soldier Settlement Act, Chapter 71 of the Statutes of 1919, the patent for the above mentioned land will not be issued in your favour until your indebtedness to the Soldier Settlement Board has been paid in full.

You would appear to be indebted to the Department for seed grain in accordance with the following statement:-

Seed Grain, 1919 (balance)...	$194.40	
Interest as at 1st November, 1931	$169.90	$364.30

to which must be added interest at 5% on the principal sum of $194.40 from the 1st November, 1931, to date of payment if the account is not closed in the meantime.

Your obedient servant,

H.E.Hume,
Deputy Commissioner of Dominion Lands.

John Evan Gibson, Esq.,
Acadia Valley,
Alberta.

whereas up to that time the settler had only paid a total of $462.16. To that date we have also granted him legislative concessions totalling $961.41. It will be seen that the payments made have not taken care of special advances let alone interest and principal on the establishment advance for stock and equipment and permanent improvements.

The settler left the farm apparently in 1930 and has not returned since. When he left the farm he moved the house erected with Department funds to a village lot owned by the Canadian Pacific Railway Company without our consent. The present valuation of the homestead is between $700. and $800., whereas the settler's debt to this Department now amounts to $2186.51 inclusive of arrears of $751.83.

The seed grain lien now amounts to approximately $400. and it is not known whether it applies to any other land. In any event the above described quarter section is the only security we have for the advances granted in this case.

Under the circumstances it would be appreciated if the matter could be submitted to the Seed Grain Adjustment Board for the Province of Alberta.

Yours very truly,

Dear Sir,

This Department is desirous of applying for an adjustment and release of the seed grain lien registered against the above described quarter section. A review of the file brings forth the following.

The settler advised us in April 1918, that he desired to apply for advances under the Soldier Settlement Act. The usual enquiries were made as to the standing of the land, etc., and you advised this Department on the 14th June, 1918, that the settler was not indebted to your Department for seed grain fodder or relief. The settler's application for advances was, therefore, subsequently dealt with and approved on the 24th April, 1919, for $2200. S.S.B. Form No. 27 was forwarded to your Department requesting that our charge be registered against the land on the 15th of that month.

It was subsequently found that the settler had applied for and obtained an advance for seed grain on the 29th March, 1919. In this connection please see your letter of the 16th January, 1924, in which we are asked if some action could not be taken to protect your Department for the amount of the lien. The matter was taken up with the settler but it was found that he had only threshed 250 bushels of wheat and was therefore unable to pay anything on account of his due payment to this Department or to your Department to reduce the seed grain indebtedness.

The settler was not successful in his farming venture. Previous to 1924 he had paid us a total of $87.17. In 1924 he paid us nothing, and in 1925 when the sum of $452.48 was due he paid us $50. We have not received an itemized statement of the settler's account since 1931, but up to that year we had made special advances to the settler for taxes, insurance and seed and feed to a total of $545.79,

MEMORANDUM: Request for Title under the Order-in-Council of the 4th June, 1921, P.C.1821, where duties completed by soldier settler.

RE: SE.¼ 25-25-2 W.4th (Hsd.)
John Evan Gibson.

Subsequent to the initial loan approved in favour of the above named settler on the 24th April, 1919, he secured advances totalling $2549.49, as follows:

Permanent improvements.....	$ 869.75
Stock and equipment.....	1,133.95
Special advances.....	545.79

The charge created against the land is an effective one under Section 26 of the Soldier Settlement Act as all the advances were made subsequent to date of entry. There is no other land security in this case.

Your Department reports that Mr. Gibson has completed the settlement duties for the earning of patent; therefore, in order that he may be in a position to negotiate a sale of the land at a future date, Mr. Gibson has requested that title to the land be issued in the name of the Director of Soldier Settlement. Copy of such request is attached hereto. Mr. Gibson is reported to be in residence and there is no indication at present that he contemplates abandonment of his farming enterprise.

Pursuant to the provisions of the regulations established by Order-in-Council of the 4th June, 1921, P.C. 1821; and in view of the powers vested in the undersigned under the amendment of 1931 to the Soldier Settlement Act, it is requested that the right, title and interest of His Majesty in the said SE.¼ 25-25-2 W.4th be vested in the Director of Soldier Settlement of Canada. An application for an adjustment of the seed grain indebtedness against this land is being forwarded to you under separate cover but there will be no objection to your Department issuing patent to the homestead with the lien attached.

A Vesting Order for signature is attached hereto.

Re: J. E. Gibson,

Further to your letter of January 16, 1935, and subsequent correspondence, in regard to the Seed Grain Lien which attaches to the above described land, I shall be glad to know what progress, if any, has been made toward the discharge or reduction of this lien.

I may say that since I wrote you last in this matter Gibson, the settler, abandoned his farming enterprise and executed a Quit Claim Deed to this Department in respect of the land. Gibson's indebtedness to the Soldier Settlement Act, with interest to October 1st last, was $1,864.40 and as against this debt the Department's only security is the land. Our estimate of the value of the land is between $400.00 and $600.00 and a neighboring farmer has tentatively offered $400.00 for the property. We are anxious to be in a position to deal with any offers which may be received, and for that reason we shall appreciate hearing from you in this matter at an early date.

Dear Sir:-

Referring to my letter of the 15th June, Mr. J. F. Nash, Superintendent of Estates and Securities, Soldier Settlement of Canada, has again been in communication with this office, requesting that the Board's report be expedited. Your early attention in this matter is requested.

Yours very truly,

I also recommend that the seed grain indebtedness be written off as uncollectable by the Department of the Interior for the reason that the debtor, having failed in his farming operations, it seems that he is now unable to pay it.

Yours truly,

A. McArthur.

RLJ/WC

Supervisor of Collections.

exchange of information was adequate. There is no doubt that at the time there was in both Departments involved heavy pressure of business of a kind almost unprecedented. It does seem, however, that, knowing that there were in the Spring of 1919 numerous applications outstanding for advances under the Soldier Settlement Act, the Department of the Interior might have arranged to advise the Soldier Settlement Board of seed grain, fodder and relief advances made in that Spring to persons having applications outstanding for advances under the Soldier Settlement Act, in which event, the seed grain, fodder and relief indebtedness might have been repaid by the Soldier Settlement Board from their subsequent advances.

In this particular instance, however, the Soldier Settlement Board did make proper enquiry of the Department of the Interior, but the seed grain advance was made later, and it may be said that it was principally through an unavoidable accident of time rather than through any lack of departmental arrangement that the seed grain advance was not protected by the Soldier Settlement Board.

3. It seems that the applicant, in the course of his duty, by subsequent advances for taxes, insurance, seed and feed, and by supervision, rendered assistance to the debtor, which might have contributed eventually towards recovery of the debtor, which might have advance and the advances under the Soldier Settlement Act, had those operations not proved a failure, principally through the drought conditions which prevailed for so many years in the vicinity of the debtor's land; but that the Department of the Interior, through lack of authority therefor, could not have rendered and did not render such assistance to the debtor in his farming operations, which might have contributed towards eventual recovery of both the seed grain advance and the advances under the Soldier Settlement Act, had doubtless, through the drought conditions which prevailed in the vicinity of the land for many years.

4. It seems that the applicant is taking proceedings now to realize, by the sale of the S.E.¼ 25-26-3-4, the only security for the seed grain advance and for the advance under the Soldier Settlement Act, and that the expenses of such proceedings will be borne by his Department.

Some considerable time after the advances under the Soldier Settlement Act were made the Soldier Settlement Board became aware of the seed grain advance made to the said John Evan Gibson on the 26th of March, 1919, and tried to arrange for payment of it from crops on his land, but because the crops were failures were unable to do so.

In addition to their original advances totalling $2800.00 the Soldier Settlement Board made later advances to the said John Evan Gibson for taxes, insurance, seed and feed, amounting to $545.79. They also gave him statutory concessions amounting to $961.41.

They received from him up to the end of 1930 repayments amounting to $462.16.

Shortly after the end of 1930 the said John Evan Gibson abandoned his farming operations and later executed a Quit Claim Deed in respect of his interest in the S.E.¼ 25-25-2-4 as the result of which Title thereto was issued to the applicant, for the purposes of the Soldier Settlement Act 1919 only, on April 29, 1935. When Certificate of Title was issued, the Seed Grain Bond aforementioned appeared thereon.

The applicant states that the said John Evan Gibson is indebted to them in respect of the aforementioned advances under the Soldier Settlement Act in the sum of $1364.00 as at the 1st of October, 1937. The applicant also states that there is no security for those advances but the S.E.¼ 25-25-2-4.

The applicant values that quarter section at between $400.00 and $600.00.

The applicant submits that a loss is being sustained in respect of the advances to the said John Evan Gibson under the Soldier Settlement Act.

I recommend that the application be granted, and that the seed grain Bond be removed from the Certificate of Title to the S.E.¼ 25-25-2-4 without payment. My reasons are as follows:-

1. I find that a heavy loss is being sustained in respect of the advances made to the said John Evan Gibson under the Soldier Settlement Act.

2. The seed grain advance was made before the advances under the Soldier Settlement Act were.

It is difficult now, so many years afterwards, to determine definitely whether or not the system of inter-departmental

Dominion Seed Grain Lien.
S.E.¼ 25-25-2 W4th.

The Director of Soldier Settlement of Canada, hereinafter referred to as the applicant, has applied for release from the Certificate of Title to the S.E.¼ 25-25-2-4 of a Seed Grain Bond for $194.40 registered thereon on the 29th day of April, 1935, as Instrument No. 800 L.V. in respect of a Seed Grain advance made by the Department of the Interior on March 26, 1919, to John Evan Gibson.

The Seed Grain advance was made on March 26th, 1919, in the sum of $194.40. On October 7th, 1926, there was repaid $1.80. There has been no other repayment.

With interest at the rate of 7% per annum, the indebtedness in respect of the advance amounts as at July 31, 1938, to $456.05. When he applied for the advance John Evan Gibson held entry for the S.E.¼ 25-25-2-4.

There is no other security but the Seed Grain Bond which now appears on the Title to that land.

In April, 1919, the said John Evan Gibson had applied for advances under the Soldier Settlement Act, and the Soldier Settlement Board made the usual inquiries into his circumstances before approving advances of $2300.00 to him on April 24, 1919. Among these inquiries was one made of the Department of the Interior respecting seed grain, fodder and relief indebtedness, and in reply thereto the Department of the Interior informed the Soldier Settlement Board by letter dated June 14, 1919 that the said John Evan Gibson was not indebted in respect of any seed grain, fodder and relief advance.

exchange of information was adequate. There is no doubt that at the time there was in both Departments involved heavy pressure of business of a kind almost unprecedented. It does seem, however, that, knowing that there were in the Spring of 1919 numerous applications outstanding for advances under the Soldier Settlement Act, the Department of the Interior might have arranged to advise the Soldier Settlement Board of seed grain, fodder and relief advances made in that Spring to persons having applications outstanding for advances under the Soldier Settlement Act, in which event, the seed grain, fodder and relief indebtedness might have been repaid by the Soldier Settlement Board from their subsequent advances.

In this particular instance, however, the Soldier Settlement Board did make proper enquiry of the Department of the Interior, but the seed grain advance was made later, and it may be said that it was principally through an unavoidable accident of time rather than through any lack of departmental arrangement that the seed grain advance was not protected by the Soldier Settlement Board.

3. It seems that the applicant, in the course of his duty, by subsequent advances for taxes, insurance, seed and feed, and by supervision, rendered assistance to the debtor, which might have contributed eventually towards recovery of both the seed grain advance and the advances under the Soldier Settlement Act, had those operations not proved a failure, principally through the drought conditions which prevailed for so many years in the vicinity of the debtor's land; but that the Department of the Interior, through lack of authority therefor, could not have rendered and did not render such assistance to the debtor in his farming operations, which might have contributed towards eventual recovery of both the seed grain advance and the advances under the Soldier Settlement Act had not those operations proved a failure principally, doubtless, through the drought conditions which prevailed in the vicinity of the land for many years.

4. It seems that the applicant is taking proceedings now to realize, by the sale of the S.E.¼ 25-25-2-4, the only security for the seed grain advance and for the advance under the Soldier Settlement Act, and that the expenses of such proceedings will be borne by his Department.

Some considerable time after the advances under the Soldier Settlement Act were made the Soldier Settlement Board became aware of the seed grain advance made to the said John Evan Gibson on the 26th of March, 1919, and tried to arrange for payment of it from crops on his land, but because the crops were failures were unable to do so.

In addition to their original advances totalling $2200.00 the Soldier Settlement Board made later advances to the said John Evan Gibson for taxes, insurance, seed and feed, amounting to $545.79. They also gave him statutory concessions amounting to $961.41.

They received from him up to the end of 1930 repayments amounting to $462.16.

Shortly after the end of 1930 the said John Evan Gibson abandoned his farming operations and later executed a Quit Claim Deed in respect of his interest in the S.E.¼ 25-25-2-4 as the result of which Title thereto was issued to the applicant, for the purposes of the Soldier Settlement Act 1919 only, on April 29, 1935. When Certificate of Title was issued, the Seed Grain Bond aforementioned appeared thereon.

The applicant states that the said John Evan Gibson is indebted to them in respect of the aforementioned advances under the Soldier Settlement Act in the sum of $1864.00 as at the 1st of October, 1937. The applicant also states that there is no security for those advances but the S.E.¼ 25-25-2-4.

The applicant values that quarter section at between $400.00 and $600.00.

The applicant submits that a loss is being sustained in respect of the advances to the said John Evan Gibson under the Soldier Settlement Act.

I recommend that the application be granted, and that the seed grain Bond be removed from the Certificate of Title to the S.E.¼ 25-25-2-4 without payment. My reasons are as follows:-

1. I find that a heavy loss is being sustained in respect of the advances made to the said John Evan Gibson under the Soldier Settlement Act.

2. The seed grain advance was made before the advances under the Soldier Settlement Act were.

It is difficult now, so many years afterwards, to determine definitely whether or not the system of inter-departmental

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

APPLICATION TO PURCHASE

Frac. S. W. ¼ 13--57--6 W. 5th M., lying S. of River and containing 52.8 acres, hatched in red on sketch. Vacant.

I beg to submit the application of Walter F. Wood to purchase this parcel.

Mr. Wood was granted homestead patent in June, 1912, for the adjoining N. W. ¼ of Section 12, bordered red on sketch.

The Homestead Inspector recommends that the applicant be asked to pay $5.00 an acre for the parcel on account of the spruce timber thereon.

If a sale is authorized to the applicant he should, of course, be required to furnish an Abstract of Title showing ownership of the said N. W. ¼ of Section 12.

I would point out that the part of the S. W. ¼ of Section 13 lying north of river stands as a homestead in the name of David A. Shaver (entry dated the 22nd December, 1911).

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

Sir,

With reference to your application for patent for the N.W. ¼ of [illegible] 4th, I beg to point out that you claim continuous residence with your father on the N.E. ¼ of [illegible] 4th, from the 11th of December 1908 to the date of your application. The records of this office however, show that your father did not own the N.E. ¼ of [illegible] 4th, prior to the 8th of October 1910, and on that date he was given authority by the Department at Ottawa, to purchase fractional legal sub-division 10 lying south and west of the river, containing 71.8 acres. The regulations however, definitely state that residence must be performed on land of at least 80 acres in extent. You will therefore understand that any residence you have performed on the N.E. ¼ of 28-61-27 W. 4th, cannot be counted to your advantage in earning patent for your own homestead. It will be necessary for you to go into residence on your own homestead, and perform six months' residence in each of three separate years, and then appear at this office, or at the office of a Sub Agent with the competent witnesses and make a supplementary statement in support of your application.

Mr. Hume.

Re S.E.¼. 19 and S.W.¼. 20-2-1 W.4th M. Homestead and Pre-emption entries of Henry Brian Compton, deceased.
Entries granted 25th August, 1911.

The facts of the case are set out in Mr. Stafford's memorandum of the 12th ultimo "marked".

Mr. J. E. Compton was communicated with from this office on the 13th idem and asked for further information as to the identity of the deceased soldier. A letter has now been received from Mr. Compton in which he states that his brother, Henry Brian Compton enlisted with the 95th Saskatchewan Rifles, and was later transferred to the 28th Overseas Battalion, and that he died of wounds on the 5th of June, 1916, that his Will was duly executed in his office, in which the late soldier left all his estate to his mother, Isabella Compton of Pangor, Kings County, Prince Edward Island.

In view of the further evidence furnished, it would appear that Letters Patent might be issued for the Homestead in the name of the late entrant, and that when payment in full has been made on account of the pre-emption, similar action might be taken in connection therewith.

Sir,

Re E.½ of 17-25-4-W.4th M.

Referring to your letter of the 9th instant, wherein you ask to be informed of the additional duties you will require to perform should you decide to fulfil the residence duties in connection with your homestead with a relative in the vicinity, I may say that under the regulations when residence is performed in the vicinity the holder of a homestead is required to break fifty acres instead of thirty acres on the quarter-section.

It is assumed you understand that you cannot perform residence duties in the vicinity in connection with your pre-emption; residence, therefore, must be performed either on the homestead or the pre-emption.

Your obedient servant,

Forest G. Ball, Esq.,

Re: S.E. 17-25-4-W. 4th Meridian,
Forest Glen Ball,
Dominion & Joint Relief Advance.

Mr. Ball recently approached this office with a view to settlement of the above mentioned accounts.

According to my records there is a Joint Relief Advances account outstanding in the amount of $55.00 plus interest. Provincial Seed Grain in the amount of $18[illegible].34 has been cancelled and Mr. Ball has already settled 1936-39 Provincial Agricultural Relief Advances.

Lien Number 5[illegible]6 C.V. (7[illegible]27) registered April 20th, 1[illegible]20 to Crown in the amount of $55.00 at 7% also appears against the Title although I have no record of this account.

Under the circumstances I would request that you either discharge the Lien if there is no account outstanding or advise me of the particulars.

Dear Sir:

Re: S.E. 17-25-4-W.4th

We have been informed by Mr. A. R. Duff, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, that there is a Dominion lien for $55.00 registered against the above land in the name of Forest Glen Ball. This lien was registered on the 20th of April, 1920 in the name of the Crown as No. 75827.

According to our records this is a Joint-Provincial and Federal relief lien and it has apparently been registered in error by us as a Dominion lien. You are, therefore, authorized and requested to remove the Federal registration of this lien.

We have no authority, of course, to remove the Provincial registration but we understand from Mr. A. R. Duff that negotiations are going on for the settlement of this account.

Gentlemen:

I would like if it is possible, to change the location on my homestead and pre-emption, one for the other.

My reasons for changing are that my homestead is badly cut up by the Bull Pound Creek that I cannot very well break to advantage and have the breaking lies on the north side of the creek. If I could get my homestead I would break all my plow land and produce upon it a crop this year.

I would like to change my homestead N.E. ¼ of Sec 33, 23-10 W 4 for pre-emption, N.E. ¼ of Sec 33, 23-10 W 4

Sir,

Re N.½, 33-25-14, W.4th M.

The Agent of Dominion Lands at Calgary has forwarded here your letter of the 14th ultimo together with your statement of equal date, in further defence of the cancellation proceedings pending against the above described land held by you as a homestead and preemption, in which it would appear you went into residence upon these lands on the 8th idem.

It is observed that you have held these entries since August, 1911, a period of almost two years, and have as yet done apparently nothing thereon in the way of settlement duties. I am, therefore, to warn you that the entries are in serious default, but in view of the information now furnished it has been decided to hold over the proceedings until the 1st of September next, by which date you will be required to satisfy the aforesaid Agent by sworn declaration that you have remained in residence upon

Ernest Y. Wood, Esq.,
Connorsville,

imposed upon me, as I realize that I am behind in my duties.

Yours sincerely,
Ernest Y. Wood.

Re N½, 33-25-14, W 4th M.

Sir:

Your letter of the 19th ultimo, file No. 24938 94 / 22 4/1997, has been received, and conditions noted.

By the terms of that letter I was to remain in residence until Sept. 1st and have at least twenty acres broken. Now I am going to keep the first condition, but unless we have rain I cannot possibly fulfill the latter. I have ten acres broken as I informed you before, and have the stone picked off from ten acres more, and also a man engaged to break ten acres as soon as we have enough rainfall. All breaking has ceased in this section owing to continued drouth. If we do not have the required rainfall by Sept 1st, I trust you will not hold me to the letter in my declaration. I will do all in my power to live up to the conditions

21st August, 1913.

Sir,

Re N.E. [illegible]--33--2[illegible]--14--W.--4th--Mer.

Replying to your letter of the 3rd instant, concerning the cancellation proceedings instituted against your homestead entry for the above described land, I beg to say that the Department is prepared to deal leniently with you in the matter of performance of cultivation duties provided you perform the required residence in a bona fide manner.

Under the circumstances, the proceedings in question will be held in abeyance until the 1st of October next by which date you should furnish the Agent of Dominion Lands at Calgary with a statement as to what progress has been made with respect to cultivation.

I may add for your information that cancellation proceedings were instituted against your pre-emption entryfor the North West ¼ of the same section on the 16th of August, 1912, and in the absence of a defence the Agent at Calgary carried out cancellation on the 11th of April last, and granted re-entry on the 15th of May following to the applicant for inspection Mr. McCorkindale. In view of the action taken you will understand that you hold entry for the homestead only and should therefore make no improvements on the land which formerly stood in your name as a pre-emption. The foregoing position of affairs was overlooked when you were written to on the 19th ultimo.

Your obedient servant,

Ernest Y. Wood, Esq.,
Connorsville,
ALTA.

Assistant Secretary.

Sir,

I beg to acknowledge the receipt of your letter of the 12th instant in the matter of the North ½ of Section 33, Township 25, Range 14, West of the Fourth Meridian, and in reply to say that you were advised on the 11th instant that your entry for the N.E. ¼ of the above mentioned land would be protected until the 15th proximo, conditionally.

With regard to the N.W. ¼, which you apparently held as a pre-emption, I beg to say that this entry was properly cancelled in April last, being in default, and re-entry granted for the quarter section. The matter will then be investigated, and should it be found that the duties are not being performed in a bona fide manner, the entry will be cancelled and you, as applicant for inspection, allowed the usual period within which to re-enter for the land.

The entrant in this case when making application for patent for his homestead claimed residence, cultivation and other improvements as shown on Form 58-A (marked), attached to the homestead file.

Cancellation proceedings were instituted against the pre-emption entry on behalf of the Department on the 28th June last for failure to apply for patent within the required time. No defence has been filed.

According to the Patent Branch there is $610.74 due on account of the purchase price.

The Agent now forwards here a report from Inspector Cloakey which reads as follows:

> "This man has left this district and is farming in the Duchess Colony.

> "This quarter is out by Bull Pond Creek and is only fit for grazing, and I would recommend that the entry be cancelled and the land made available for leasing."

In view of the evidence furnished by the Inspector I would suggest that the Agent be instructed to carry out cancellation.

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $110.44 were advanced to Norman William Dorman on the security of the above-mentioned land. Payments of $10.25 and $1.60 were received in 1915 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$100.78	$227.81	$328.59

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Re: Account of Duncan McKinnon
W½ 32-21-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $189.00 were made to Duncan McKinnon in 1921 and 1922 on the security of the above-mentioned land. A payment of $16.95 was collected by the Province in 1925 and applied to the interest. No further payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$189.00	$526.38	$715.38

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet Directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Sir,-

I am directed to acknowledge receipt of your letter of the 18th November last, your file 3 961, enclosing a plan of a portion of the north-west quarter of section 20, township 11, range 1, west of the 4th meridian, showing the lands required for an extension of Lamour Station Grounds and roadway around the same.

In this connection, I beg to say that there is apparently an error somewhere in your application, as you state that the land is required for an extension of the station grounds at Lamour. According to the records in this office and according to previous applications received by this Department from the Company, Lamour Station appears to be in sections 18 and 19, township 12, range 1, west of the 3rd meridian, whereas, the land you have applied for as an extension thereto is situated about nine miles west of that point. Kindly advise whether the lands, you state as required for station grounds, is really in the north-west quarter of section 20, township 11, range 1, west

Re Larmour Station Grounds.
Your file 2525065.

Referring to your letter of the 15th inst., I beg to say that Larmour station grounds is partially located on the N.W.¼ 30--11--1 W.4. The lands which you refer to, namely,-Sections 18 and 19 in Twp 12 Rge 29 W.3, are part of Cummings station grounds. I am aware that there has been considerable misunderstanding which arose from the fact that the first correspondence in this matter referred to both Larmour and Cummings station grounds in one letter which has caused a great deal of confusion in subsequent correspondence.

I enclose herewith a transfer from Agnes Calkin, Administratory of the estate of C.Calkin,deceased, covering the land required by the Railway Company. The consideration mentioned in this Transfer is $79.92, which will be paid to Mrs Calkin on receipt of advice from you that no payment is required by your Department and that Patent will issue to the Company.

I enclose herewith $2.00 in payment of your registration fee. Kindly acknowledge receipt and issue Grant in favor of the C.P.R.Company at an early date.

I am in receipt of an Order Nisi issued in connection with the above, wherein are listed seed grain liens in favour of the Financial Controller of this Department.

In this connection I beg to advise that the only record of a lien attaching to this land is one for $263.51 registered on April 24th, 1919, as Instrument No. 7603 B.Y. representing an advance of seed grain made to Tore Thorson by this Department. The amount due thereunder was paid in full and a discharge numbered 23835 dated the 27th day of December, 1920, was forwarded to Tore Thorson at Winnifred, Alberta, with instructions that he should remit the same to the Registrar at Calgary, along with the duplicate certificate of title for amendment.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received,

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board,

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board or consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Dear Sir:

In regard to cancellation proceedings against me will say came on land May 7, 1919, was on it 4½ months, built a house, cost $100.00, paid for 4½ acres of breaking about 2 acres was broke, the balance in 1920, about 3 acres in all. The man cheated me being paid in advance, done some grubbing.

Returned Feb. 22, 1920, done some more grubbing, got out some building logs and posts, put in crop on nearly 3 acres, done lots of work.

Year 1921, dug a well, done lots of grubbing, have broke some land. A man agreed to break 10 acres or more at $11.00 per acre, has broke 2½ up till now, left as he lives 15 miles north, will return and finish same July 22nd. I will be 17 months continuously on land since I came in Feb. 22,1920. Its only maliciousness and personal spite as I took up the last open ¼ for open range. I was unable to put in any grain this year, although I had seed no one would put it in. I am still on the land and doing all I can to make a success of what I undertook. I am an old man. This is my home, the only home I have. It means a lot to me. I have spent lots of money and loss of time and think its an outrage and a shame that anyone would be mean enough to cancel me or in fact take the advantage of me in being an old man without an outfit. I cannot stay in any longer as my means is all gone, but will wait to see the Land Inspector.

Thanking

OTTAWA. 5th October, 1922.

Sir,

S.W.¼ 3-61-12-W. 4th M.
Your ref. 180556.

I beg to acknowledge the receipt of your communication of the 22nd ultimo enclosing Lewis C. Appleyard's declaration in defence of the cancellation proceedings outstanding against his homestead entry for the above described quarter-section.

From the statements contained therein he would appear to have completed sufficient residence to satisfy the requirements of the regulations but he has not performed sufficient cultivation. He claims ten and a half acres of breaking of which two and a half acres have been placed in crop.

According to Homestead Inspector Griffin's report of the 17th September, 1921, this land cost $15.00 per acre to bring under cultivation and when Mr. Appleyard can show a total of twelve acres of breaking and a reasonable proportion of same placed under crop he will be in a position to apply for patent.

In view of the fact that Mr. Appleyard is apparently doing his best to comply with the regulations but on account of poor circumstances has been unable to have the required amount placed under crop you might allow the applicant for inspection thirty days within which to show cause why the cancellation proceedings should not be abandoned. If he is not heard from within the time required you may then abandon the cancellation proceedings and advise the entrant that when he has performed the additional breaking required and placed a reasonable proportion of same under crop he should appear before you or the Sub-Agent for the district in which he resides with two witnesses for the purpose of making application for patent.

The Agent of Dominion Lands,
Edmonton,

Sir:

With reference to your application for cancellation against the S.E.¼ 3-61-12-W.4th M., I beg to inform you that in his defence, the entrant claims to have lived on this land for a certain length of time, from the 5th May, 1919, to the 13th October, 1921, and continously from the 25th October, 1921 to the 23th August, 1922.

He claims improvements consisting of a log house, well and fence, and a total of ten and one half acres of breaking, of which two and one half acres were in crop in 1920.

According to an Inspector's report, this land is worth $15.00 per acre to prepare for seeding, and the entrant has therefore only to break another one and one half acres, and place about eight acres in crop before completing his cultivation duties.

Under the circumstances you will be allowed thirty days from this date in which to show cause why the cancellation proceedings should not be abandoned.

Re: Account of Lewis C. Appleyard,
S.W.¼ 3-61-12-W4.

Dear Sir:

During the year 1920 while homesteading the above mentioned land, Mr. Lewis C. Appleyard received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $351.49 of which $100.05 is principal and $251.44 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

RE: S.W. ¼ 3-61-12-W.4th

In a letter dated January 16, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Lewis C. Appleyard by the Federal Government in the year 1920. The amount outstanding is $351.49 of which $100.05 is principal and $251.44 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Re: Account of Lewis C. Appleyard
S.W.¼ 3-61-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $100.05 was advanced to Lewis C. Appleyard on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$100.05	$282.95	$383.00

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the lien be discharged.

As you have held this land for over seven years the entry is liable to cancellation for failure on your part to make a completed application for patent within the prescribed time and you should therefore take steps at once to complete your application for Naturalisation.

Re: Account of John Krasy,
S.W.¼ 17-59-14-W4.

Dear Sir:

During the years 1915 and 1917 while homesteading the above mentioned land, Mr. John Krasy received relief and seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $242.30 of which $82.00 is principal and $160.30 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain

RE: Account of John Krasy
S.W. 17-59-14-W.4th

In a letter dated February 2, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and relief which was advanced to Mr. John Krasy by the Federal Government in the years 1915 and 1917. The amount outstanding is $242.30 of which $82.00 is principal and $160.30 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief,

Re: Account of John Krasy
S.W.¼ 17-59-14-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1917 relief and seed grain amounting to $82.00 were advanced to John Krasy on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$82.00	$178.75	$260.75

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Homestead entry of Dubinsky

Date of entry 1st August, 1913.

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on Form 334 on the ground of failure to apply for patent.

Form 333 and the leaflet entitled "Applications for Patent by Persons who are Debarred by Law from Securing Naturalization" should accompany your notice to the entrant on Form 334.

If the entrant files a defence or an application for patent, the same should be referred to Head Office, together with any evidence submitted by the applicant regarding naturalization or application made by him for a Certificate in Form K.

On the expiry of 60 days from the date of your notice, if the entrant has not been heard from an Inspector's report should be ordered.

The Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements. In case of a pre-emption it will be necessary to report on the quarter-section homestead as well.

When you receive the Inspector's report you should forward it at once to Head Office for consideration.

A copy of any letter or form issued by you in this case should be forwarded to Head Office in the usual way.

Re: Account of S. Dubinsky,
S.W.¼ 1-60-15-W4.

Dear Sir:

During the year 1917 while homesteading the above mentioned land, Mr. S. Dubinsky received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $376.88 of which $145.00 is principal and $231.88 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Dear Sir:

RE: Account of S. Dubinsky
S.1. 1-60-15-W.4

In a letter dated February 1, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. S. Dubinsky by the Federal Government in the year 1917. The amount outstanding is $376.88 of which $145.00 is principal and $231.88 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. I have received from you a letter regarding loan on account with S. Sukowsky taken on S.W. 1-60-15-W4; land that I now own. It is difficult to understand how such a large loan was granted for even when I bought the land there was not enough acreage under cultivation.

Albeit, the loan exists & I would like to pay it off so that my title to this land would be clear. Would you consider $100.00 as sufficient to be paid within two years. Please advise.

Re: S.W. 1-60-15-W.4th

We wish to thank you for your letter of the 10th of November, 1956, offering the sum of $100.00 in full settlement of the seed grain account of Styfan Dubinsky charged against the above land.

In view of the information on our file, we believe that the Seed Grain Advisory Board will be willing to grant a reduction in your case. In order to assist you in clearing your title, if you will remit the sum of $100.00 which you have suggested that you will be able to pay, within a reasonable time, it will be recommended that this sum be accepted in full settlement of our claim. It will be satisfactory to make this into two equal annual payments.

Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

S.W.¼ 1-60-15-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 seed grain amounting to $145.00 was advanced to Styfan Dubinsky on the security of the above-mentioned land. A payment of $50.00 was received in 1925 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$145.00	$264.50	$409.50

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the lien be discharged.

F. W. Stinson.

Ottawa, 17 October, 1960.

I beg to acknowledge the receipt of your letter of the 15th ultimo, and in reply to say that it is not understood why you request to have your homestead and pre-emption entries for the above land inter-changed so that your homestead would read as the South-East Quarter and your preemption as the North-West Quarter, as according to the records of the Department the South-West Quarter already stands as your homestead and the North-West Quarter your preemption.

I might add, however, that in any case as cancellation proceedings are outstanding against your entries an application for interchange could not be considered.

In answer to your other questions I might also say that there is no provision in the Dominion Lands Act whereby stock may be substituted in lieu of homestead duties, and that no changes have been recently made in the Act. Certain amendment, however, are under consideration, and should any changes be made the public will be duly notified.

In reply to your letter of the 16th instant, I am to advise you that if you are satisfied that your settlement duties have been completed in connection with your pre-emption above described, you should appear with your two witnesses before the Agent of Dominion Lands at Lethbridge or the Sub-Agent for the district, and make application for patent.

As your entry is liable to the institution of cancellation proceedings, you are requested to make application for patent within forty days of this date, or in any case advise the Agent at Lethbridge as to your definite intentions in this regard.

Re: Account of Philip Rapson
N.W. 28 & S.W. 33-12-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $54.40 was advanced to Philip Rapson on the security of the above mentioned land. A payment of $12.80 was received in 1929 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 54.40	$ 77.23	$ 131.63

Patent was issued in the name of Philip Rapson for the N.W. 28-12-9-W4 on the 15th of August 1922, subject to the 1922 lien and Patent for the S.W. 33-12-9-W4 was issued on the 16th of December 1935.

Both quarter sections have since become subject to forfeiture proceedings and title to the land acquired by the Department of Municipal Affairs of the Province of Alberta.

The land is presently leased for grazing purposes and is no longer assessed as of any value or subject to taxation. As such the land no longer offers any security of any value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.
